The undersigned authorizes Plain Hardware to proceed with the procurement, staging, and delivery of the materials listed herein. This estimate covers listed items only and is subject to change in 3 days if the quoted items are not ordered within that time, or delivered within 5 days from date of quote. All items and their associated pricing are subject to prior sale. If this estimate is accepted, customer agrees to the standard Terms and Conditions in affect when the proposal is signed. The undersigned has reviewed the materials listed herein for their applicability, correctness, sizing, length, capacity and ability to meet building code requirements, and holds Plain Hardware harmless in the event the materials defined herein do not meet the undersigned's or building code requirements. Plain Hardware is not responsible for computation, pricing, or other errors.
